Company Announcement – Change of Executive Management

After more than 10 years, first as CEO of the Transport Friendly Society Ltd and eventually as Managing Director of Longevity Group Australia Ltd (Longevity), Friday the 18th of September will be Derek Cafferty's last day of service at Longevity. Derek has overseen a dramatic transformation. We thank Derek for sharing his unique talents with us and wish him every success in his future endeavours.

"In coming months our first project will complete and will be a testament to the vision and hard work of the Board and the entire Longevity team. I wish them every success in the future" - Derek Cafferty.

The company has appointed an interim CEO, Brian Sands whilst in the process of recruiting for a permanent CEO. Brian commenced his career in the building industry in the 1980's. Completing a carpentry apprenticeship and learning the fundamentals of planning, process and productivity was the foundation from which Brian has learnt to build houses and to build businesses.

Brian has extensive experience working as an Executive in the building and development industry in both Australia and New Zealand.

Ends.
