

Special Announcement: A Note To Our Longevity Community

AUGUST 2020

WE ARE WORKING FROM HOME

In line with the recent Government announcement and Stage 4 COVID-19 restrictions, we have **temporarily** closed our Head Office and we're taking part to ensure the health and safety of our community.

We are **Working From Home** and you can still contact us. We will continue to deliver the same service you know and love. We also ask for your patience as things may take a little longer than normal.

- For any **Sales** related enquiries please contact Ben Khong on (0)400 882 439 or sales@longevityga.com.au

As you will no longer be able to visit our Showroom or on-site Sales Office, we can still assist you with your specific sales enquiries.

- For any **Shareholder** related enquiries regarding personal information updates, please contact **Computershare on 1300 850 505**. For **Low Volume Market** queries, please contact the office of the Company Secretary on either 03 9275 8000 and follow the prompts or email investorcentre@longevityga.com.au

Until then stay safe and take care of one another. Thank you for your continued support.

We look forward to continuing to develop homes that enable people to live the lifestyle they want, in the communities they love, longer than ever thought possible.
